- Travel Update: We have U12 and U16 boys' teams. A U18 team is possible but we do not have enough players at this time.

- Boys Intramural Update: We have two U10 teams and a U12 team. We are trying to put together a U15 team as well. The U12 team is in need of coaches.
- In-house update: We have eight U6 teams and eight U8 teams. We need five coaches for the U6 teams. We will try to get high school players to volunteer and give them a letter of community service for helping out.

**Business:**

- Registration for spring: Registration is going well. We have over 200 signed up. Registration will be open until Feb. 15 (with the late fee). After the 15<sup>th</sup> the registrar will have to be contacted to make sure there is room.
- Referees: We only have 6 confirmed registrants for the referee course and we need 15. The deadline is the 14 of February. We may pay the fee and contact other soccer clubs to attempt to fill the class. Brian and Thanh plan to hold a meeting for all referees prior to the start of the spring season.
- Spring Fundraiser: Suggestions were made concerning the spring fundraiser including a lottery/raffle, spaghetti dinner, basket bingo and chicken barbecue. It was decided that the barbecue would be the best fundraiser. We need to decide on a date (possibly the 14<sup>th</sup> or 21<sup>st</sup> of May). Trisha will call Charlie. We will try to include rolls, butter, baked potato, dessert and drinks in the meals.
- U.K. Camp: We will contribute the same amount for our players' registration, offering a 50% discount. We have verbal approval for the High School fields, but will not be able to obtain written permission until July. The camp will be the week of July 18<sup>th</sup>.
- Coaching clinics: The coaches meeting will be next meeting 3/8/11 at 6:00pm. Materials will be distributed. We have a few people interested in a coaching clinic at Octorara Intermediate School in March. We will continue to look into courses for our coaches.

**Open Forum:**

We would like to create a SYSA patch to be available for distribution. Distributing T shirts instead of jerseys to the in-house players was discussed. T shirts are less expensive and the kids may get more wear out of them.

**Closing:**

- Motion carried out for next meeting to be at Solanco HS Room 302 on Tuesday March 8 at 6:00pm.
- Motion for adjournment carried out at 7:33pm
