Dear Brian:

Youth Soccer's requests to use the High School soccer fields have been approved as listed on the attached schedule detail reports. Please review the schedules closely, all requested dates have not been approved due to conflicts with other approved activities. Your organization has **not** received approval to use the High School soccer fields on the following dates:

High School: April 22 and May 20, 2011

The following are the times and fields Youth Soccer is permitted to use at the High School:

Beginning date: March 14, 2011

End Date: June 5, 2011

Mondays – Fridays: 6:00pm – 8:00pm

Saturdays: 7:00am – 2:00pm

Sundays: 12:00pm – 4:00 pm

Field # 4 ONLY

Soccer participants should maintain a "safe" distance from Little League activities at all times to prevent injury to participants of both organizations. **Soccer practice/games are not to be played on areas that are not marked as an official field (especially Clermont fields). Please refrain from using District fields that are in poor or soggy condition as a result of the weather. The fields are easily damaged during inclement weather conditions. Feel free to contact the building custodian or the Assistant Business Manager to receive guidance on Youth Soccer Association's use of a particular field on inclement weather days during the season.**
