- Travel Update: Bob is not here. Travel teams for the spring will be at U12, U16 and possibly the U19 levels.
- Girls Intramural Update: April is not present. The girls' tournament will take place this weekend. There will be a patch exchange. We do not have a patch at this point, but will try to come up with something for the exchange. Carl Behm said that his team had a great experience this past fall.
- Boys Intramural Update: The boys had a good season. There was one complaint concerning a referee.
- In-house Update: Dave is not present. The in-house award ceremony went smoothly this fall.

**Business:**

- Spring Registration: Registration is up and running. We are accepting credit cards. The travel levels are on the online form. There are still signs to be put up.
- Referees: We need a minimum of 15 participants to host a class. The class would consist of six three-hour sessions. Brian will work on getting the class together. Jen was concerned about some confusion concerning our use of ARs this season and this matter was discussed. There was a mix-up/mistake at one of the games. ARs are to be used at the age levels U12 and up. There should be a preseason meeting with the referees to discuss certain issues and possibly penalize the referees for lateness.
- Fundraiser: The chicken barbeque went well, although we need to fine tune some things for the next one. The leftover snacks went to the food bank. We need to send a mass e-mail to thank everyone who participated. The first prize will be a free UK soccer camp pass, \$100 credit card, free registration and a shirt. Second and third prize will be a free UK soccer camp pass and a shirt. We are planning on a basket bingo for the spring fundraiser.

**Open Forum:**

We need to work on getting gym access for the U10 and U12 boys over the winter. Brian will look into gym availability. Chuck proposed a program to use the High School students as mentors for our younger players. High School players would be placed with teams and issued a Certificate of Community Service for their help.

**Closing:**

- Motion carried for the next meeting to be at Solanco HS room 302 on Tuesday 1/11/11 at 6:30 pm.
- Motion for adjournment carried out at 7:42pm.
