

Call to Order:

- President John Dyson called the meeting to order at 6:33 p.m. at Solanco HS
- In attendance: President John Dyson, Vice President Tom Rath, Registrar Kelli Rath, Treasurer Brian Parisan, Fundraiser Committee Chair Trish Wright, Coach Steve Walker, Coach Justin Hollinger, Coach Carl Behm, Coach Julie Korenkiewicz, Barry Root, Secretary Denise Balliet
- October minutes approved
- Treasurer's report approved
- Travel Update: Bob Boule is not here. We will have a U11 girls' team for the Spring. The team will be losing a few players and held tryouts. Bobby Eller may be interested in putting together a U9 girls' travel team. Julie is still interested coaching a boys' travel team. Julie suggested possibly ranking the kids in the program for future reference when assembling travel teams and balanced intramural teams. A system would have to be developed and someone would need to volunteer to put together the data.
- Girls Intramural Update: All three teams played in the LAGS tournament. The U10 girls were short a few players but still had a great time. The U15 team won the tournament.
- Boys Intramural Update: The boys' teams had a good season. The U12 team had a great last game.
- In-house update: Justin has volunteered to mentor the U6 and U8 coaches as discussed in the previous meeting.

Business:

- Fall Fundraiser: The fundraiser went well. Approximately 1050 tickets were sold. Quite a few tickets were not sold and not turned in. Sherry Teaman was a big help. Trish ended up with enough help. The girls' teams had to back out since the tournament was rescheduled for that day.
- Spring Fundraiser: We may want to take a break from the barbecues. Julie suggested a 5k. We need to look in to other options. We should consider offering a buyout option. Denise will send out a mass email to survey if families are in favor of a buyout.
- Officer Changes: Julie has volunteered for the position of Vice President. Tom wishes to step down.
- Spring Registration: Spring registration is now open through the end of January. We do have problems registering for Travel teams, since we are not certain which age groups will be offered.
- UK Soccer: The price went up by \$10. We are locked in to host soccer summer camp the week of July 16th.

Open Forum:

Tom suggests that we make an effort to have coaches/persons trained for first aid and CPR. We did have an injury in the girls' game and there was no emergency medical response personnel available on the grounds at the tournament.

Closing:

- Motion carried out for next meeting to be at Solanco HS Room 302 on Tuesday January 10 at 6:30 pm
- Motion for adjournment carried out
