-Soccer Camp We have a questionnaire for parents and will look at results before deciding. We are supporting JR /High HS boys and girls choices not competing with those camps and encouraging players to attend them.

-End of Season Parties We will have a party at the fields for the In House teams. Look at making cupcakes and having a table, napkins and small plates (?) for these and "awards". No drinks, cups mess-kids will have water bottles etc. Keep it simple parents who have children in each level won't miss games with having to go to the cafeteria - also as we have trouble getting help this will simplify things and we can still make it fun for the kids.
