- Treasurer's report approved
- Travel Update: Bob is not present. The travel teams are doing well.
- Girls Intramural Update: April is not present. The girls' teams are doing well.
- Boys Intramural Update: Tournament information is being obtained.
- In-house update: The in-house coordinator position is open. There have been many cancellations of the U6 and U8 practices due to bad weather.

Business:

- Registration for fall: We are switching systems for the fall. The fee needs to be paid so Kelli can learn the system and we can open registration.
- Referees: The referee class went well. Five new Solanco referees passed the course. We will try to arrange for another class in the fall. Scheduling is going well. One of the U10 boys' teams had no referee for an away game at Penn Manor. We will file a complaint.
- Spring Fundraiser: The fundraiser is on schedule. Tickets are out. Trisha will be mailing out the U6 tickets since there have been so many cancellations. We need to look into a back-up plan if it rains (inside of the church, tents). There is a possible conflict with a Hess' barbecue fundraiser across the street which may interfere with walk up purchases. Hillary is looking into drink donations. We can purchase discounted beverages from Turkey Hill if necessary. We also need to look into obtaining a pig at the best price or a donation. Tom's team will be there to help out.
- Fall Fundraiser: At this time we are hoping to have another chicken barbecue.
- U.K. Camp: Everything is running on schedule. Denise is getting the flyers out.
- Patches: Kelli ordered the patches. It was requested that we look into getting special award patches for players who deserve recognition for doing well, improving, etc.
- Down-sized fields: We are waiting to hear the official word, but are assuming that it is OK to resize the fields. New goals will be ordered.
- End of season: Trisha will order cupcakes for the in-house. We will give the older teams money for a pizza party or treat.

Open Forum:

Julie is interested in entering a team in a 3 v 3 tournament and needs information. We need to revamp the directions on the web site. A meeting will take place on Thursday at 6:30 discussing how budget cuts will affect the athletic programs. Tom plans to attend.

Closing:

- Motion carried out for next meeting to be at Solanco HS Room 302 on Tuesday May 10 8:00pm.
- Motion for adjournment carried out at 8:52 pm
