- Girls Intramural Update: We have U10, U11(travel), U12 and U15 teams.
- Boys Intramural Update: At this time we have two U10 and two U12 teams. We are looking for a U12 coach.
- In-house update: At this time we have 6 U6 and 8 U8 teams. We are in need of coaches for the U6 teams.

Business:

- Registration for fall: Registration is still open through July 15th with the late fee and then the players will have to go through the registrar.
- Fall Fundraiser: The fall fundraiser is planned as a chicken barbeque (Charlie's Chicken) planned for November 5th. We will be possibly offering a baked potato, roll, water and applesauce with the chicken. The location will be the real estate office beside Rite Aid in Quarryville. We are also considering selling a Son's coupon book.
- U.K. Camp: Everything is running on schedule, the fields have been approved. Smaller goals from Smith need to be taken to the High School fields.
- Volunteers: John would like our current volunteers to take on an assistant to take over their responsibilities when they resign. We need a photo rep and an in-house coordinator.
- Pictures: The plan to use a different photographer is on hold. We will most likely use the same company in the Fall.
- Officers: This is an election year. We need to send out emails and ask if anyone would like to take on a board position.

Open Forum:

John would like to conduct an E course for coaches between fall and spring.

Closing:
