Monthly Meeting

Call to Order:

- President John Dyson called the meeting to order at 8:01pm at Solanco HS Room 234
- In attendance: President John Dyson, Past President Kim Ranck, VP Tom Rath, Treasurer/Webmaster Brian Parisan, Boys Intramural Representative Kim Root, Boys Travel Rep. Bob Boule, Jen Modderman, John Dolan, Girls Intramural Representative Fran Hohenwarter, Secretary Denise Balliet
- April minutes approved
- Treasurer's report approved
- Travel Update: The Travel team is doing well. Feedback from the parents and kids indicate that they are happy and have adjusted.
- Girls Intramural Update: Fran received no response from her email regarding the girls' tournaments. Kim Ranck and John Dolan responded at the meeting that they would like to enter a U10 team. Depending on the interest of the U10 teams, we may have one combined team and possibly two teams. They will let Fran know.
- Boys Intramural Update: Kim Root is currently working with LBYSA to resolve some issues. Cancellations have occurred because some teams have backed out of their scheduled games with the Solanco U16/19 teams. Kim is trying to get some more games. A possible refund to players is discussed if more games cannot be arranged.
- In house update: In-house coordinator Dina Lilly will be arranging the end of season for in-house teams. Cupcakes will be ordered and medals given out.

Business:

- Summer Camp Update: Registrations are being accepted. Flyers have been distributed. Everything is running on schedule.
- Bingo: The Basket Bingo was successful. Brian provided the financial report. The profits were comparable to last year.
- Coach Development: We only have a few coaches interested in a course. We do not have enough interest at this time to have a SYSA course. Kim will continue to check. At this time the courses listed at EPYSA are not within a reasonable distance.
- Registrations for fall: Kelli, Tom and Brian are working on getting online registration up and running. At this time payment cannot be made online.
- Referees: Three referees are now being used for the U16/19 games. The coaches need to control their players' parents. The code of conduct needs to be enforced. There was some discussion of how to handle feedback from the referees and coaches and the involvement of the referee assignor.
- Equipment: New SYSA equipment bags will be ordered for the Intramural and Travel teams.
- Open Forum: Good feedback was received regarding the goalie clinic conducted by Andrew Modderman. Jen has volunteered to distribute and collect coach evaluation forms so we can gain feedback from parents and players.

Closing:

- Motion carried for the next meeting to be at Solanco HS room 234 on Tuesday 6/08/10 at 6:30 p.m.
- Motion for adjournment was made and carried at 9:29 p.m.
